

# STICKERS

1. Make or purchase a sticker book or album.
2. Collect stickers listed and mount in order in your sticker book:

10 mammals	6 birds	6 flowers
4 stars	2 trees	2 butterflies
2 fruit		

3. Other stickers to collect.

4 hearts	2 smiles	2 people
2 holidays	20 stickers of your choice	

Note: No 2 may be alike.

4. Use stickers to make a card for a sick friend, grand parent or teacher.
5. Have a trading night or party at your club or home and trade fairly at least 10 stickers
6. Display your sticker book at club night, FunDay, or other occasion.
7. Create a picture with at least 5 stickers and put the picture on display.

## HELPS:

Stickers are fun to collect. We want you to enjoy your collection, but at the same time learn to share and make fair trades.

It may be a good idea to purchase some stickers and give each child a few to start. They may already have collections at home or special ones that their parents would prefer they did not trade. Read about stickers to your Adventurers and make your own sticker book so they may see it completed before they start theirs.
