

# NATURE DETECTIVE

1. What can you see out of your bedroom window?
2. What can you see that *God* made at your school?  
What can you see that man made at your school?
3. Go on a hike to a park, nature trail, etc. and do the *A to Z Scavenger Hunt*—centering on things mostly around nature, if possible.
4. Present a small program or *Vespers* showing and telling others about exciting things you found on the *Scavenger Hunt*.
5. Make a craft relating to this chip.
