January Council

January 15-16, 2005

Saturday morning Veronique Wiist, Ada Gomez, and Alan Weis from KFW area and other leaders all across Texas met at the Texas Conference Office to plan the schedule for the next 18 months for all of Texas. There are five Adventurer areas in the Texas Conference. It was great getting together with other Adventurer Club leaders and coordinators and learning what each area has done over the past year. It was an opportunity to meet each other and to share ideas about what each area is doing successfully and how it can be done in other areas. We planned and prepared for the next state wide Family Camp that will be at NVR in October, 2005.

Family Camp coming in October is based on the theme “**Light Up Texas**”. The last family camp had over 1600 people in attendance and this October we could have 2000 in attendance. Family Camp is a wonderful way for clubs to meet each other and to worship together and learn more about Jesus’ love for all.

2004-Looking Back

This was a great year for the KFW-Adventurer Clubs. We had a great camp out together at Possum Kingdom State Park. We enjoyed a beautiful lake setting and worshiped together. On Sabbath afternoon we hiked and built sand castles and went canoeing. It was a great weekend for camping out in God’s nature.

Our KFW area next went Ice Skating together at the Parks Mall in Arlington. Ice skating is a great way for kids and adults to have a great time together.

In August we had a Fun Day at the River Legacy Park in Arlington for our area clubs to come together and recruit for the fall semester. We also worked on the Build & Fly award for Adventurers.

In October all the active clubs from the KFW area were present at Family Camp at NVR. It was the best representation ever for our region and KFW was viewed with newfound respect.

In December our area went Ice Skating again at the Parks Mall in Arlington and we had around 200 people in attendance. It was exciting to see so many having a wonderful time.

2005

Plan now for our area camp out on March 18-20 that will be held at Lake Bob Sandlin State Park. The theme is “**Awesomely Made**”.
