What will happen at the Leadership Convention?

New Awards

Each year new awards are added to the manual and distributed at the upcoming Adventurer Leadership Convention.

If you have awards you would like to submit to the Adventurer Committee, check out the website. Go to Awards off the main index page. Everything you need for submitting awards is at that location. New awards that have been added for 2003 and 2004 are also located there.

AdventSource

Many vendors will attend the Adventurer Leadership Convention. Advent Source will have a large shopping area set up for your convenience. Take the opportunity to actually see the items shown on the internet and in the catalog. Their helpful, friendly staff will be available to answer your questions.

Adventurer Website Information for Awards and Curriculum

The mission of the Adventurer website is to provide resources for Adventurer Leaders. In order to do that, it will take a collective effort of Adventurer Leaders mentoring other Adventurer Leaders.

If you have material that you used for an award, or to teach a part of the curriculum, please share it with other Adventurer Leaders. It doesn’t have to be perfect before you send it in. Just send it! Your contributions will assist other Adventurer Leaders as they build their ministry.

The other advantage to having things on line is that it takes less space in your “office” or “filing cabinet.” Check out the Adventurer Website on Awards, www.adventurer-club.org/Awards/Awards.htm Each section is listed with the official information from the manual, and the extra resources. There are a lot of empty sections until the additional resources get submitted and entered.

Your assistance is necessary. The different views, cultures and ideas are what will make this website success. Thank you in advance for your help!

To submit by email, simply email your document to lynn@ag4sa.com. Please give your name, your club and a little information about yourself and your Adventurers.

Be sure to state what software you created the file in. If it isn’t a main-stream file, see if you can print to a .pdf format or rft format and email that. Photos are welcome.

If you are more comfortable with the US Postal System, please send the information to:

Please feel free to send in any stories about you and your Adventurers, any thing that has encouraged you or impressed you in your ministry.

Please feel free to submit your comments and ideas.

Thank you!
