RE: Request for Excused Absence

To Whom It May Concern:

The Texas Pathfinders Organization, a youth ministry sponsored by the Seventh-day Adventist Church, has their annual Area-Wide Campout in the fall. They will be practicing outdoor camping skills at this event.

The date of the campout is **November 6-8**, for the **Keene/Fort Worth Area**, and the event will be held at Eisenhower State Park near Denison, Texas. We are expecting nearly 400 in attendance.

Please grant an excused absence during this time for any of your students or employees who will be traveling and participating in this event. Thank you for your time and consideration in this matter.

Sincerely,

Josh Murillo
Director of Youth Ministries
